OWN	RENT	A tenant shall attach written permission from the landlord to keep chickens/ducks on the landlord's property.

**PLEASE INITIAL EACH BOX**

	I have read Vinton's Urban Chicken/Duck Ordinance #1007 and understand the requirements for keeping chickens.
	I am aware that I am responsible for keeping chickens/ducks within the boundaries of my property at all times.
	I acknowledge that I live in a home located on a lot zoned for residential single family or residential duplex.
	I understand that the permit is a limited license for activity and no vested zoning rights arise from the permit being issued and that the permit does not run with the property.
	I understand no chickens/ducks shall be kept inside the dwelling unit.
	I understand chickens/ducks shall be kept in a coop from dusk to dawn.
	I understand the coop shall be located in the rear yard and placed a minimum of 25 feet from property lines.
	I understand that City ordinance requires certain construction materials and limits the size and height of the coop.
	I understand a fenced pen shall be located in the rear yard and the pen material shall comply with the current zoning code fence requirements.
	I understand only hens are allowed and not more than six licensed chickens and/or ducks are permitted per property.
	I understand all chickens/ducks shall have their wings clipped to eliminate the possibility of flight from the permittee's property.
	I understand this permit is only valid from date of acceptance until the end of the calendar year.
	I have attached signed permission for all adjacent property owners.
	I understand that any private restrictions of the use of the property shall remain enforceable and shall supersede the permit.
	I grant City staff the right to inspect my property prior to approval of this permit and at any time to investigate a complaint.

I affirm that all statements contained in the application are true and correct and that I, the permit holder, will keep any chickens/ducks in compliance with all ordinances. I understand that failure to comply with regulations may result in revocation of the permit and/or issuance of municipal infractions.
